[family by ian frazier goodreads](#)

Family tells the story of Ian Frazier's family in America from the early colonial days to the present. Using letters and other family documents, he reconstructs two hundred years of middle class life, visiting small towns his ancestors lived in, reading books they read, and discovering the larger forces of history that affected them.

[family by ian frazier kirkus reviews](#)

The grand sweep of American history is writ small in this family history/memoir by humorist Frazier (Great Plains, 1989, etc.). Frazier undertook this effort after his parents died in the late 1980s, to "find a meaning that would defeat death." But his project seems more complicated and self-conscious, if not pretentious: an attempt to somehow reclaim American history for himself, a white ...
