Freedom's Landing and its sequels are based on a short story Anne McCaffrey wrote in the early 1970s. Sometimes a short story really doesn't have enough in it to make up a novel, let alone 3 or 4. But Ms McCaffrey has done a very good job of this book, with her usual style of narration that just keeps you reading, even when it's only exposition ...

I like a lot of Anne McCaffrey's works, and I think no one writes a better female protagonist than she does. Freedom's Landing is the first in the Freedom Series, but it's a bit confusing to me because years ago, the book seemed to be different or there was another book (was it Thorns of Barevi?) where Kristen, the main character, experienced the Catteni invasion of Denver.

Freedom's Landing (1996) About book: Setting: the planets of Brerevi and Botany, I'm not sure of the time-line, but it was contemporary to the time it was written, I think. Genre: Sci/fi, adventure, a touch of romance Have you ever read a book by an author you spent your adolescence with and the "new" book turns out to be less than you expected? Yeah, this is like that.
